

Privacy Policy:

This privacy policy sets out how the nanoTHERM consortium uses and protects any information that you give when you use this website.

nanoTHERM is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement.

nanoTHERM may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes. This policy is effective from 06th April 2011.

What we collect:

- name and job title
- contact information including email address
- demographic information such as postcode, preferences and interests

What we do with the gathered information:

- We may periodically send press releases
- We may periodically contact you for matter regarding the nanoTHERM project

Security:

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

Links to other websites:

Our website contains links to other websites of interest. Once you have used these links to leave our site we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites. Such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question

Controlling your personal information:

If you believe that any information we are holding on you is incorrect or incomplete, please write to or email us as soon as possible, at the above address. We will promptly correct any information found to be incorrect.
